KEY CLUB

# COVID-19 SERVICE PROJECTS

DESIGNED FOR SMALL GROUPS

## PLAN A CLEANUP

**WHAT:** Select a local community park or area and set a date to have volunteers clean up litter.

**HOW:** Have a set date and time for your volunteers to help clean up.

### MATERIALS:

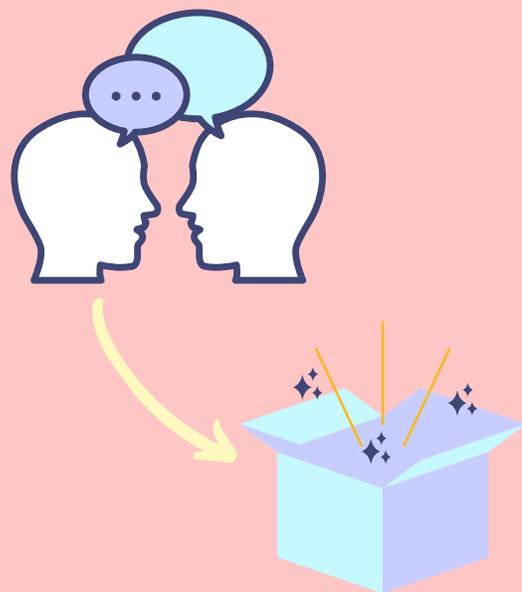

- Gloves
- Trash bags
- Trash picker/grabber (optional)

## SUPPLY DRIVES

**WHAT:** Many local shelters or organizations are looking for supply donations. Research what you can do to help!

**HOW:** Reach out to your club members and have them collect all of their new or lightly used supplies.

## E-LEARNING

**WHAT:** Organize a virtual summer camp, video read-alongs, or tutoring lessons for local kids over the summer.

**HOW:** Decide on what virtual learning you'd like to offer and plan the dates and volunteer shifts.

**Promote the event.** Publicize it on social media, reach out to local news, and get the word out.

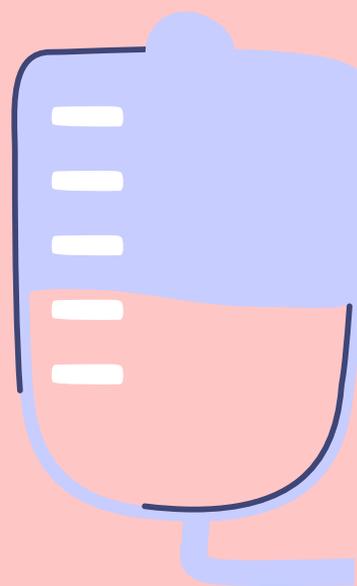

**Host the event via a platform like Zoom.** Make sure your volunteers know when they'll be hosting it.

## BLOOD DRIVE

**WHAT:** Hosting a blood drive can be safely done using social distancing protocol.

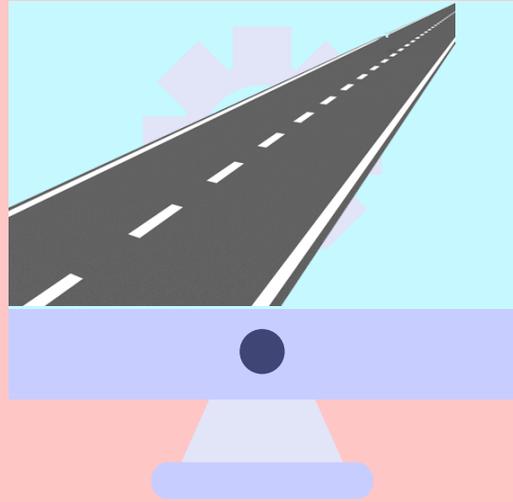

**HOW:** Research can be done by simply looking up "How to Plan a Blood Drive" on Google. The Red Cross has an informative page on running blood drives.

## ADOPT A HIGHWAY

**WHAT:** Adopt a Highway is a program that allows you to sponsor a highway section to keep clean and free of litter!

**HOW:** Go to "[adoptahighway.com](https://adoptahighway.com)" and follow the website directions!

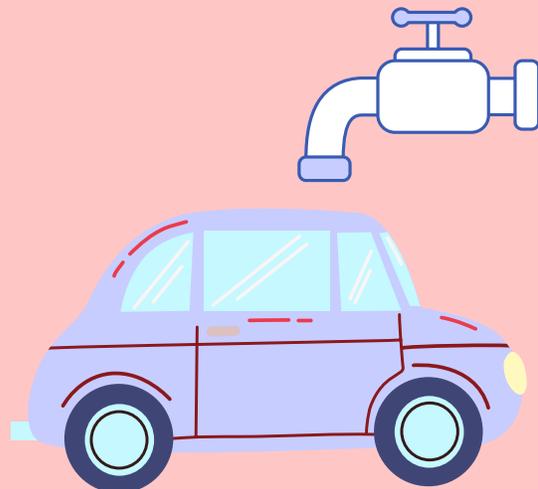

## CHARITY CAR WASH

**WHAT:** Organize a community car wash and donate the money to a non-profit organization!

**HOW:** Organizing and promoting this car wash will make it successful.

**Create a set price for different vehicles**

Plan out how you will practice social distancing during this event.

## E-VOLUNTEER

**WHAT:** The United Nations offers a variety of online volunteer opportunities!

**HOW:** Go to the website

**"<https://www.onlinevolunteering.org/en>" and sign up to e-volunteer.**
